

SPOKES DRESS CODE POLICY

You should consider this SPOKES class site as a **work environment**. All learners are expected to adhere to standard practices of modesty, cleanliness, and neatness; to dress within the acceptable standards of a work environment and in such a manner as to contribute to a work atmosphere, not detract from it. The learner who fails to comply with this dress code may be sent home.

Any clothing, jewelry, or accessories with decorations, patches, lettering, advertisements, etc. that may be considered obscene or offensive are not to be worn to class. This includes any clothing, jewelry, or accessories:

- that may be used as weapons,
 - which have drug emblems,
 - which contain obscenities, tobacco, or alcoholic beverage references, or
 - which may be considered sexual harassment.
-
- All students must wear shoes.
 - Hair should be kept neat, clean, and reasonably-styled. Facial hair should be neat, clean, closely trimmed and not be a distraction to the learning environment.
 - Crop tops, tube tops, low cut and halter tops are unacceptable; strapless dresses without jackets are unacceptable.
 - Transparent and/or see-through materials are considered unacceptable. Shirts or blouses must cover the entire torso at all times, even in movement.
 - The length of a skirt or dress must be extended to at least the learner's mid-thigh.
 - Form-fitting pants, such as spandex or bicycle pants, may only be worn with another layer of clothing which meets the dress code. Torn pants are considered inappropriate, i.e., intentionally torn or cut/slashed.
 - If leggings are worn to class, they **MUST** be paired with a long tunic or blouse that extends to mid-thigh.
 - NO shorts of any type are allowed.
 - Students shall wear their trousers or overalls properly – at the waist; no sagging.
 - Tattoos which may be perceived as offensive (based on the clothing policy), must be covered.

All SPOKES classes are preparing learners for the workplace. Therefore, maintaining appropriate hygiene is a requirement. Body odor is not only unpleasant for those working closely within the classroom, but it will also hinder success in the workforce. If an individual repeatedly comes to class unclean, the instructor and WVWorks caseworker will determine an appropriate plan of action.
