Student General Release of Information

The West Virginia Adult Education (WVAdultEd) program pursuant to WV Code 18-2-5h (Student Data Accessibility, Transparency and Accountability Act) authorizes this organization to ask you to provide your social security number. The number will be used for keeping records, research on students in general, and summary reporting. Your number also will be provided to the WVAdultEd Data Collection unit. This unit gathers information about students and programs to meet state and federal (OMB Control Number 1205-0526) reporting requirements, including those of WVAdultEd and our partnering agencies (WorkForceWV and DRS). It also helps to plan, research, and develop programs. This information helps to support the progress of students and their success in the workplace and other educational programs. (When conducting research, your social security number will be disclosed only for record matching purposes and only in a manner that is secure and limits the possibility of unauthorized access to your information.) Your social security number will never be used to report personal information. By signing this form, you are consenting to these uses as identified. Provision of your social security number and consent to its use is not required; and, if you choose not to do so, you will not be denied any right, benefit, or privilege provided by law. You may revoke your consent, in writing, for the use of your social security number at any time.
