SECURITY CAMERA ACKNOWLEDGEMENT

I acknowledge the presence of security camera(s) in the classroom.

The primary function of the camera(s) is the safety and security of all who utilize the services of adult education. An added feature of the camera(s) is the ability to "live stream" instruction to students who are choosing to utilize distance education or are otherwise unable to attend class that day. This is done via a time-limited link made available to current students. During these times sound will be enabled on the camera, otherwise the sound is off. Access to camera(s) is limited to employed instructors, regional coordinator and/or local director, and limited state staff.
